RECEIVED

JUN 29 2004

Technology Center 2100

Sir:

In response to the Office Action dated March 25, 2004, please consider the remarks as submitted herewith on the accompanying pages.

REMARKS

As a preliminary matter, Applicant thanks the Examiner for accepting Applicant's amendment to the title.

Claims 1-14 are all the claims pending in the application. Claims 2, 4, 9-12, and 14 are objected to, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. The Examiner withdrew the previous rejections of claims 1, 3, 5-8, and 13 over the combination of Jaramillo et al. (U.S. Patent No.: 6,178,477), hereinafter referred to as Jaramillo, and Cohen (U.S. Patent No.: 5,729,766).
